Notice of the sixteenth annual general meeting

continued

for the year ended 31 December 2010

Special resolution number 1 is proposed in order to comply with the requirements of the Companies Act and the Company's memorandum of incorporation. The above rates have been selected to ensure that the remuneration of non-executive directors remains competitive in order to enable the Company to retain and attract persons of the calibre, appropriate capabilities, skills and experience required in order to make meaningful contributions to the Company, given its global footprint and growth rate.

In arriving at the proposal set out in special resolution number 1, the Group President and CEO, in consultation with the Group Executive for Human Resources, conducted a review of the remuneration paid to non-executive directors and other non-executive office bearers, based on data provided by independent remuneration specialists and benchmarked against comparable South African companies with international operations. The nomination, remunerations, human resources and corporate governance committee considered the revised remuneration proposal in detail and, after consensus, recommended the revised remuneration proposal to the board, which sanctioned the proposal for recommendation to shareholders.

The proposed revised remuneration is considered to be fair and reasonable and in the best interests of the Company.

2. Special resolution number 2

Repurchase of the Company's shares

Preamble

The board of directors of the Company has considered the impact of a repurchase or purchase, as the case may be, of up to 10% of the Company's shares, which falls within the amount permissible under a general authority in terms of the JSE Listings Requirements and, in respect of acquisitions by subsidiaries of the Company, the Companies Act.

Should the opportunity arise and should the directors deem it to be advantageous to the Company, or any of its subsidiaries, to repurchase or purchase, as the case may be, such shares, it is considered appropriate that the directors (and relevant subsidiaries) be authorised to repurchase or purchase, as the case may be, the Company's shares.

"Resolved that the Company and/or a subsidiary of the Company, is authorised to repurchase or purchase, as the case may be, shares issued by the Company, from any person, upon such terms and conditions and in such number as the directors of the Company or the subsidiary may from time to time determine, including that such securities be repurchased or purchased from share premium or capital redemption reserve fund, but subject to the applicable requirements of the Company's memorandum of incorporation, the Companies Act and the JSE Listings Requirements, each as presently constituted and as amended from time to time; and subject further to the restriction that the repurchase or purchase, as the case may be, by the Company and/or any of its subsidiaries, of shares in the Company of any class under this authority shall not, in aggregate in any one financial year, exceed 10% of the shares in issue in such class as at the commencement of such financial year."

It is recorded that, as at the last practicable date, the JSE Listings Requirements provide, *inter alia*, that the Company or any subsidiary of the Company may only make a general repurchase of the ordinary shares in the Company if:

1. any such repurchase of shares is implemented through the order book operated by the JSE's trading system and done without any prior understanding or arrangement between the Company and the counter-party (reported trades are prohibited);
2. authorisation thereto is given by the Company's memorandum of incorporation;

3. at any point in time, the Company may only appoint one agent to effect any repurchase(s) on its behalf;
4. the general authority shall be valid only until the Company's next annual general meeting or 15 months from the date of passing of this special resolution, whichever is earlier;
5. the board of directors authorises the repurchase, that the company passes the solvency and liquidity test and that from the time that the test is done there are no material changes to the financial position of the Group;
6. when the Company or a subsidiary of the Company has cumulatively repurchased 3% of any class of the Company's shares in issue on the date of passing of this special resolution (the initial number), and for each 3% in aggregate of that class of shares acquired thereafter, in each case in terms of this resolution an announcement shall be published on SENS and in the press as soon as possible and not later than 08:30 on the second business day following the day on which the relevant threshold is reached or exceeded, and the announcement shall comply with the requirements of the JSE Listings Requirements in this regard;
7. that all general repurchases by the Company of its own shares shall not, in aggregate in any one financial year, exceed 20% of the Company's issued share capital of that class. The terms of the proposed special resolution, however, further restrict this to a maximum of 10% of the issued share capital of a class and not the full 20% allowed under the JSE Listings Requirements;
8. that the Company or its subsidiaries may not purchase any of the Company's shares during a prohibited period as defined in the JSE Listings Requirements, unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed in an announcement over SENS prior to the commencement of the prohibited period;
9. no repurchases may be made at a price which is greater than 10% above the weighted average of the market value for the securities for the five business days immediately preceding the date on which the transaction is effected (the maximum price). The JSE will be consulted for a ruling if the applicant's securities have not traded in such five-day period; and
10. if the Company enters into derivative transactions that may or will result in the repurchase of shares in terms of this general authority, such transactions will be subject to the requirements in paragraph 2, 3, 4, 7 and 8 above, and the following requirements:
 - (a) the strike price of any put option written by the Company less the value of the premium received by the Company for that put option may not be greater than the fair value of a forward agreement based on a spot price not greater than the maximum price in paragraph 9 above;
 - (b) the strike price and any call option may be greater than the maximum price in paragraph 9 at the time of entering into the derivative agreement, but the Company may not exercise the call option if it is more than 10% "out the money"; and
 - (c) the strike price of the forward agreement may be greater than the maximum price but limited to the fair value of a forward agreement calculated from a spot price not greater than the maximum price.

Notice of the sixteenth annual general meeting

continued

for the year ended 31 December 2010

This resolution is required to be passed, on a show of hands, by not less than 75% of the number of shareholders of the Company entitled to vote on a show of hands, at the meeting who are present in person or by proxy or, where a poll has been demanded, by not less than 75% of the total votes to which the shareholders present in person or by proxy are entitled.

After considering the effect of such maximum repurchase:

- the Company and the Group will be able in the ordinary course of business to pay its debts for a period of 12 months after the date of the notice of the annual general meeting;
- the assets of the Company and the Group will be in excess of the liabilities of the Company and the Group for a period of 12 months after the date of the notice of the annual general meeting. For this purpose, the assets and liabilities should be recognised and measured in accordance with the accounting policies used in the latest audited annual Group financial statements;
- the share capital and reserves of the Company and the Group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of the annual general meeting; and
- the working capital of the Company and the Group will be adequate for ordinary business purposes for a period of 12 months after the date of the notice of general meeting.

- the directors, whose names are set out on pages 20 to 23 of this report, collectively and individually accept full responsibility for the accuracy of the information contained in this special resolution and certify that to the best of their knowledge and belief, there are no other facts, the omission of which, would make any statement false or misleading and that they have made all reasonable enquiries in this regard.

There are no legal or arbitration proceedings (including any such proceedings that are pending or threatened of which the Company is aware), which may have or have had a material effect on the Company's financial position over the last 12 months.

At the date of completing this notice, there have been no material changes in the financial or trading position of the Company and its subsidiaries that have occurred since December 2010.

At the present time, the directors have no specific intention with regard to the utilisation of this authority which will be used only if the circumstances are appropriate.

A general repurchase or purchase, as the case may be, of the Company's shares shall only take place after the JSE has received written confirmation from the Company's sponsor in respect of the directors' working capital statement.

3. Special resolution number 3

Financial assistance to subsidiaries and other related and inter-related entities and to directors, prescribed officers and other persons participating in share or other employee incentive schemes

“Resolved that, to the extent required by the Companies Act, the board of directors of the Company may, subject to compliance with the requirements of the Company’s memorandum of incorporation, the Companies Act and the JSE Listings Requirements, each as presently constituted and as amended from time to time, authorise the Company to provide direct or indirect financial assistance by way of loan, guarantee, the provision of security or otherwise, to –

1. any of its present or future subsidiaries and/or any other company or corporation that is or becomes related or inter-related to the Company for any purpose or in connection with any matter, including, but not limited to, the subscription of any option, or any securities issued or to be issued by the Company or a related or inter-related company, or for the purchase of any securities of the Company or a related or inter-related company; and
2. any of its present or future directors or prescribed officers (or any person related to any of them or to any company or corporation related or inter-related to any of them), or to any other person who is a participant in any of the Company’s or Group’s share or other employee incentive schemes, for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the Company or a related or inter-related company, or for the purchase of any securities of the Company or a related or inter-related company, where such financial assistance is provided in terms of any such scheme that does not satisfy the requirements of section 97 of the Act, such authority to endure until the forthcoming annual general meeting of the Company.”

Voting procedures

The directors of the Company decided in 2006 that in order to reflect more accurately the views of all shareholders and best practice, all resolutions and substantive decisions at the annual general meeting were to be put to a vote on a poll, rather than being determined simply on a show of hands. MTN Group has a large number of shareholders and it is not possible for them all to attend the meeting. In view of this and because voting on resolutions at annual general meetings of MTN Group is regarded as of high importance, putting all resolutions to a vote on a poll takes account of the wishes of those shareholders who are unable to attend the meeting in person, but who have completed a form of proxy. A vote on a poll also takes into account the number of shares held by each shareholder, which the board believes is a more democratic procedure. This year, all resolutions will again be proposed to be put to vote on a poll.

Voting at this year’s AGM will be undertaken electronically. An electronic voting handset will be distributed before the start of the meeting to all shareholders who attend in person and are eligible to vote. The registrars will identify each shareholder’s individual shareholding so that the number of votes that each shareholder has at the meeting will be linked to the number of votes which each shareholder will be able to exercise via the electronic handset. Shareholders who have completed and returned forms of proxy will not need to vote using a handset at the meeting unless they wish to change their vote.

Proxies

A shareholder entitled to attend and vote at the meeting is entitled to appoint one or more proxies to attend, participate in and vote at the meeting in the place of the shareholder. A proxy need not also be a shareholder of the Company.

A form of proxy, in which is set out the relevant instructions for its completion, is attached for use by certificated shareholders and dematerialised shareholders with “own name” registration of the Company who wish to appoint a proxy. The instrument appointing a proxy and the authority, if any, under which it is signed must be received by the Company or its South African transfer secretaries at the addresses given below by not later than 14:30 (South African time) on Monday, 20 June 2011.

All beneficial owners of shares who have dematerialised their shares through a CSDP or broker, other than those shareholders who have dematerialised their shares in “own name” registrations, and all beneficial owners of shares who hold certificated shares through a nominee, must provide their CSDP, broker or

nominee with their voting instructions. Voting instructions must reach the CSDP, broker or nominee in sufficient time and in accordance with the agreement between the beneficial owner, and the CSDP, broker or nominee, as the case may be, to allow the CSDP, broker or nominee to carry out the instructions and lodge the requisite authority by 14:30 (South African time) on Monday, 20 June 2011.

Should such beneficial owners, however, wish to attend the meeting in person, they may do so by requesting their CSDP, broker or nominee to issue them with appropriate authority in terms of the agreement entered into between the beneficial owner, and the CSDP, broker or nominee, as the case may be.

Shareholders who hold certificated shares in their own name and shareholders who have dematerialised their shares in "own name" registration must lodge their completed proxy forms at the registered office of the Company or with the Company's South African transfer secretaries at the address below not later than 14:30 (South African time) on Monday, 20 June 2011.

Re-election of directors retiring by rotation at the annual general meeting – ordinary resolutions numbers 1 to 5

The reason for the proposed ordinary resolutions numbers 1 to 5 is to elect, in accordance with article 84 of the memorandum of incorporation of the Company and by way of a series of votes, each of which is on the candidacy of a single individual to fill a single vacancy, as required under section 68(2) of the Companies Act, AT Mikati, JHN Strydom, MJN Njeke and KP Kalyan, as directors of the Company, them having retired by rotation in terms of the Company's memorandum of incorporation and being eligible for re-election. Biographical details of the retiring directors offering themselves for re-election are set out on pages 20 to 23.

Election of the audit committee – ordinary resolutions numbers 6 to 10

In terms of the Companies Act, the audit committee is no longer a committee of the board but a committee elected by the shareholders at each annual general meeting.

In terms of the Companies Regulations, at least one-third of the members of the Company's audit committee at any particular time must have academic qualifications, or experience, in economics, law, corporate governance, finance, accounting, commerce, industry, public affairs or human resource management.

Mindful of the foregoing, the nomination, remuneration, human resources and corporate governance committee recommended to the board that the current members of the audit committee continue in such role to fulfil the duties prescribed in section 94(7) of the Companies Act, and the board has approved such recommendations, subject to the elections being made by the shareholders, as proposed in ordinary resolutions numbers 6 to 10.

Approval of reappointment of joint external auditors – ordinary resolution number 11

In compliance with section 90 of the Companies Act, PricewaterhouseCoopers Inc. and SizweNtsaluba vsp are proposed to be reappointed as joint auditors for the financial year ending 31 December 2011 and until the conclusion of the next annual general meeting.

Authorising the directors to deal, as they in their discretion think fit, with the unissued ordinary shares, limited to 10% of shares in issue as at 31 December 2010, excluding shares reserved for the Company's share or other employee incentive schemes – ordinary resolution number 12

In terms of article 7 of the Company's memorandum of incorporation, read with the JSE Listings Requirements, the members of the Company may authorise the directors to, *inter alia*, issue any unissued ordinary shares and/or grant options over them, as the directors in their discretion think fit.

The existing authority granted by the shareholders at the previous annual general meeting on 15 July 2010, is proposed to be renewed at this annual general meeting. The authority will be subject to the Companies Act and the JSE Listings Requirements respectively. The aggregate number of ordinary shares able to be allotted and issued in terms of this resolution, other than in terms of the Company's share or other employee incentive schemes shall be limited to 10% of the number of ordinary shares in issue as at 31 December 2010.

The directors have decided to seek annual renewal of this authority in accordance with best practice. The directors have no current plans to make use of this authority, but wish to ensure, by having it in place, that the Company has the necessary flexibility in managing the Group's capital resources and to enable the Company to take advantage of any business opportunity that may arise in the future.

Approval of remuneration philosophy (policy) – ordinary resolution number 13

In terms of King III recommendations, every year, the Company's remuneration policy should be tabled for a non-binding advisory vote at the annual general meeting. The essence of this vote is to enable the shareholders to express their views on the remuneration policies adopted in the remuneration of executive directors and on their implementation.

Accordingly, the shareholders are requested to endorse the Company's remuneration policy as recommended by King III.

Remuneration payable to non-executive directors – special resolution number 1

In terms of paragraphs 15.1 and 15.2, read with paragraph 15.5, of the board charter, the board will determine the level of remuneration paid to members within any limitations imposed by shareholders. Levels and make-up of remuneration should be sufficient to attract and retain the right calibre of members needed to run the Company successfully, but the Company should avoid paying more than is necessary for this purpose. The board will review remuneration annually after taking independent advice and no director will be involved in deciding his own remuneration.

In terms of sections 66(8) and (9) of the Companies Act, which took effect on 1 May 2011, remuneration may only be paid to directors for their service as directors in accordance with a special resolution approved by the shareholders within the previous two years and if not prohibited in terms of a company's memorandum of incorporation. In terms of article 73(b) of the Company's memorandum of incorporation, directors shall be entitled to such remuneration as directors as may be determined by the Company in a general meeting by an ordinary resolution, save that any director holding office for less than a year shall only be entitled to such remuneration in proportion to the period during which he has held office during such year. Although the Company has been advised that, in terms of the transitional provisions of the Companies Act, article 73(b) of the memorandum of incorporation could possibly prevail in the interim in respect of this apparent conflict between such article and the Companies Act, the board of directors nonetheless wishes to comply with the provisions of the Companies Act and as such the resolution is proposed as a special resolution.

The last increase was approved on 15 July 2010. Full particulars of remuneration paid to non-executive directors for the financial year ended 31 December 2010 are set out on page 95 and the proposed revised fees to be effective from 1 July 2011, being tabled for approval are set out in special resolution number 1. The directors will receive the top-up payment in order to compensate them for the fact that their fees were not increased with effect from the commencement of the financial year ending 31 December 2011.

General authority for the Company and/or a subsidiary of the Company to repurchase or purchase, as the case may be, shares in the Company – special resolution number 2

The existing general authority for the Company and/or a subsidiary thereof to repurchase or purchase, as the case may be, shares in the Company, granted by shareholders at the previous annual general meeting on 15 July 2010, is due to expire at this annual general meeting, unless renewed.

The directors are of the opinion that it would be in the best interests of the Company to extend such general authority and thereby allow the Company or any subsidiary of the Company to be in a position to repurchase or purchase, as the case may be, the shares issued by the Company through the order book of the JSE, should the market conditions and price justify such action.

Repurchases or purchases, as the case may be, will be made only after careful consideration, where the directors believe that an increase in earnings per share will result and where repurchases or purchases, as the case may be, are, in the opinion of the directors, in the best interests of the Company and its shareholders.

This general approval shall be valid until the earlier of the next annual general meeting of the Company, or the variation or revocation of such general authority by a special resolution passed at any subsequent general meeting of the Company, provided that the general authority shall not be extended beyond

15 months from the date of passing the special resolution. The resolution is required to be passed, if voted on by poll, by not less than 75% of the total votes to which the shareholders present in person or by proxy at the meeting are entitled.

General authority for the Company to provide financial assistance to its subsidiaries and other related and inter-related companies and corporations and to directors, prescribed officers and other persons participating in share or other employee incentive schemes – special resolution number 3

Notwithstanding the title of section 45 of the Companies Act, being “Loans or other financial assistance to directors”, on a proper interpretation, the body of the section may also apply to financial assistance provided by a company to related or inter-related companies and corporations, including, *inter alia*, its subsidiaries, for any purpose.

Furthermore, section 44 of the Companies Act may also apply to the financial assistance so provided by a company to related or inter-related companies, in the event that the financial assistance is provided for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the Company or a related or inter-related company, or for the purchase of any securities of the Company or a related or inter-related company.

Both sections 44 and 45 of the Companies Act provide, *inter alia*, that the particular financial assistance must be provided only pursuant to a special resolution of the shareholders, adopted within the previous two years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category and the board of directors must be satisfied that –

- (a) immediately after providing the financial assistance, the Company would satisfy the solvency and liquidity test; and
- (b) the terms under which the financial assistance is proposed to be given are fair and reasonable to the Company.

MTN Group, when the need previously arose, had to provide loans to and guarantees loans or other obligations of subsidiaries and was not precluded from doing so in terms of its articles of association or in terms of the Companies Act, 61 of 1973, as amended. MTN Group would like the ability to provide financial assistance, if necessary, also in other circumstances, in accordance with section 45 of the Companies Act. Furthermore, it may be necessary or desirous for MTN Group to provide financial assistance to related or inter-related companies and corporations to subscribe for options or securities or purchase securities of MTN Group or another company related or inter-related to it. Under the Companies Act, MTN Group will however require the special resolution referred to above to be adopted. In the circumstances and in order to, *inter alia*, ensure that MTN Group’s subsidiaries and other related and inter-related companies and corporations have access to financing and/or financial backing from MTN Group (as opposed to banks), it is necessary to obtain the approval of shareholders, as set out in special resolution number 3.

Sections 44 and 45 contain exemptions in respect of employee share schemes that satisfy the requirements of section 97 of the Companies Act. To the extent that any of the Company’s or the Group’s share or other employee incentive schemes do not satisfy such requirements, financial assistance (as contemplated in sections 44 and 45) to be provided under such schemes will, *inter alia*, also require approval by special resolution. Accordingly, special resolution number 3 authorises financial assistance to any of MTN Group’s directors or prescribed officers (or any person related to any of them or to any company or corporation related or inter-related to them), or to any other person who is a participant in any of the Company’s share or other employee incentive schemes, in order to facilitate their participation in any such schemes that do not satisfy the requirements of section 97 of the Companies Act.

Voting and proxies

1. Every holder of shares present in person or by proxy at the meeting, or, in the case of a body corporate represented at the meeting, shall be entitled to one vote on a show of hands and on a poll shall be entitled to one vote for every share held.
2. A shareholder (including certificated shareholders and dematerialised shareholders who hold their shares with "own name" registration) entitled to attend and vote at the meeting may appoint one or more proxies to attend, participate and vote in his/her/its stead. The appointment of a proxy will not preclude the shareholder who appointed that proxy from attending the annual general meeting and participating and voting in person thereat to the exclusion of any such proxy. A form of proxy for use at the meeting is attached.
3. Duly completed proxy forms or powers of attorney must be lodged at the registered offices of the Company or with the Company's South African transfer secretaries, Computershare, at 70 Marshall Street, Johannesburg, 2001 (PO Box 61051, Marshalltown, 2107), not less than 48 hours before the time appointed for holding the meeting. As the meeting is to be held at 14:30 (South African time) on Wednesday, 22 June 2011, proxy forms or powers of attorney must be lodged on or before 14:30 (South African time) on Monday, 20 June 2011. The name and address of the South African transfer secretaries are given on the back of the proxy form.
4. The attention of shareholders is directed to the additional notes relating to the form of proxy attached, which notes are set out in the proxy form.
5. Dematerialised shareholders other than dematerialised shareholders who hold their shares with "own name" registration, who wish to attend the annual general meeting must contact their CSDP or broker who will furnish them with the necessary authority to attend the annual general meeting or they must instruct their CSDP or broker as to how they wish to vote in this regard. Notes to proxy

1. Only shareholders who are registered in the register or sub-register of the Company under their own name may complete a proxy or alternatively attend the meeting. Beneficial owners who are not the registered holder and who wish to attend the meeting in person, may do so by requesting the registered holder, being their Central Security Depository Participant (CSDP), broker or nominee, to issue them with a letter of representation in terms of the custody agreements entered into with the registered holder. Letters of representation must be lodged with the Company's registrars by no later than 14:30 on Monday, 20 June 2011.
2. Beneficial owners who are not the registered holder and who do not wish to attend the meeting in person must provide the registered holder, being the CSDP, broker or nominee, with their voting instructions. 3. A shareholder may insert the name of a proxy or the names of two alternative proxies of his/her/its choice in the space/s provided, with or without deleting "the chairman of the general meeting", but any such deletion or insertion must be initialled by the shareholder. Any insertion or deletion not complying with the foregoing will be declared not to have been validly effected. The person whose name stands first on the proxy form and who is present at the general meeting will be entitled to act as proxy to the exclusion of those whose names follow. In the event that no names are indicated, the proxy shall be exercised by the chairperson of the general meeting.
4. A shareholder's instructions to the proxy must be indicated by the insertion of an "X" or the relevant number of votes exercisable by that shareholder in the appropriate box provided. An "X" in the appropriate box indicates the maximum number of votes exercisable by that shareholder. Failure to comply with the above will be deemed to authorise the proxy to vote or to abstain from voting at the annual general meeting as he/she/it deems it in respect of the entire shareholder's votes exercisable thereat. A shareholder or his/her proxy is not obliged to use all the votes exercisable by the shareholder or by his/her/its proxy, but the total of the votes cast and in respect of which abstention is recorded, may not exceed the maximum number of votes exercisable by the shareholder or by his/her proxy.

6. The completion and lodging of this proxy form will not preclude the relevant shareholder from attending the annual general meeting and speaking and voting in person thereat instead of any proxy appointed in terms hereof.
7. The chairperson of the general meeting may reject or accept any proxy form which is completed and/or received other than in compliance with these notes.
8. Any alteration to this proxy form, other than a deletion of alternatives, must be initialled by the signatory.
