# Digital tips for children

The internet is a wonderful place filled with adventure, its important that whilst we explore it, we remain safe.

- Avoid sharing your personal information – esp. your number, address or name of your school.

- Your passwords are special, tell no one.

- Chat to your parents about new Apps & sites to get their guidance.

- Treat others the way you want them to treat you.

- Good manners go a long way – avoid picking fights or using mean words.

- Good and bad people are online – be careful about strangers or people you don't feel comfortable with.

- People can pretend to be someone they not, tell mum and dad about people you meet only.

- If you see or read anything bad, log out and tell your parents about it.

- Tell your parents if you get pictures, links, emails or messages which are bad or have naughty words.

- Do not do anything online that someone asks you to do if it makes you feel uncomfortable.

- Avoid meeting or communicating with someone online that your parents or trusted adult doesn't know about.

- Understand that your parents love you and want you to be safe online.
