CONFLICTS OF INTEREST REGISTER:
April 2023

In terms of paragraph 7.6 of the JSE Debt Listings Requirements, the actual and/or potential conflicts of interests and personal financial interests declared by Mobile Telephone Networks Holdings Limited's board members and management.

Mobile Telephone Networks Holdings Limited ("**MTN Holdings**") is a wholly owned subsidiary of MTN Group Limited ("**MTN**"). MTN's conflicts of interest policy applies to MTN Holdings and other members of the MTN group of companies (the "**Group**").

The Group's conflicts of interest management framework guides operations on implementing processes, procedures and internal controls to ensure all employees and directors are aware of their duties and responsibilities to avoid any imminent conflict of interest, identify present conflicts of interest, and to ensure disclosure and management of existing or potential conflicts of interest.

All actual or potential conflicts of interest in respect of an individual must be disclosed to the Group in writing and must include the disclosure of all relevant ownership or financial interests that the representative has or is eligible for, and the nature of any relationship or arrangement with a third party that gives rise to a conflict of interest within the context of their employment with the Group. The framework also deals with the issues around human resources and employment procedures to guard against nepotism and favouritism. To manage conflict of interest matters, all directors and employees are required to declare their interests on an annual basis. Records will be stored and maintained accordingly. Senior leadership authorisation and approval processes are followed when conflicts of interest are declared. All breaches are dealt with through internal disciplinary processes.

The conflicts of interest policy is available on MTN's corporate website at <https://www.mtn.com/investors-shareholders/?tablink=debt-and-funding-updates>
